

Dear Community Member,

The Greenfield Public Recreation District and Oak Park staff partnered to bring Halloween to the Greenfield Oak Park. This year will be our second annual Adventure on Elm Avenue. This family-friendly event features a costume competition, a trunk or treat, music, food, and activities. This year's date is October 23rd, 2026.

Trunk or treat is a traditional, safe, family friendly-event! Businesses, organizations, and the community members come together to decorate the trunks of their car or tractors in Halloween fun and pass out candy to the children in our community. This is a great opportunity for businesses and organizations to show their support! Last year was our first year, and it was joy to see everyone come together and have fun! It came out even better than we imagined! This year we're asking individuals to prepare for 600 + trick or treats. All candies must be wrapped/store bought; please no baked/homemade goods.

There are ways YOU can participate!

- #1) Decorate your trunk and pass out candy to children in our community or donate candy to the cause!
- #2) Donate a prize; we have a costume contest ages: 1-3, 4-7, 9-12 & a trunk decorating contest places 1st, 2nd, & 3rd. You can remain anonymous or be thanked on this special day!
- #3) Donate decorations; do you have Halloween decorations that could enhance this special day? We are looking to add more decorations & a little spook to the festivities and would greatly appreciate you adding to the vision!
- #4) A financial contribution/donation – this will help with the growth of the event when it comes to purchasing supplies for activities, decorations, resources, publicity, safety, & more!

If you are interested, please send the commitment form no later than October 17th, so that your information/company logo can be included in information about the event. Contributions can be dropped off at Oak Park, mailed into PO BOX 432 (ATTN: Janet Thorp), or to make other arrangements please use the contact information found below.

For further questions or concerns, please do not hesitate to reach out to:
